BUSINESS PROFILE

INTEGRITY, INNOVATION, INTEGRATION

WELCOME TO ALI & COMPANY LOGISTIC PVT LTD.

INTRODUCTION

ALI & COMPANY LOGISTIC PRIVATE LIMITED is a distinguished and privately owned company specializing in logistic transport services, freight forwarding, and rig machinery solutions.

OUR CORE SERVICES

1. Logistic Transport Services:

We provide comprehensive transportation solutions for Oil & Gas, containerized cargo, bulk goods, and specialized equipment across Pakistan. Our fleet is equipped with advanced tracking systems to ensure real-time monitoring and secure deliveries.

2. Freight Forwarding:

Our freight forwarding services cover sea, air, rail, and road logistics, offering end-to-end supply chain management. We facilitate seamless import and export operations, ensuring efficient cargo handling and timely deliveries.

3. Rig Machinery & Equipment Solutions:

We supply heavy machinery and lifting equipment, including cranes, lifters, and other specialized machines, to support the oil, gas, and energy sectors. Our modern fleet of equipment is designed to handle complex industrial operations with precision and safety.

Our Strengths:

Nationwide Presence: Operating at various locations across Pakistan, we cater to diverse industries and transportation needs.

Trusted by Leading Companies:

We have successfully partnered with Pakistan State Oil Company Limited, Wafi Energy Pakistan (Formerly Shell Pakistan Limited), Pakistan Oxygen Limited (formerly Linde Pakistan Limited), Ghani Gas Limited, Unicol Limited and BE Energy Limited.

Professional Team:

Our trained operators, drivers, and logistics specialists ensure efficiency and customer satisfaction.

Commitment to Quality & Safety:

We adhere to strict safety protocols and industry standards to maintain excellence in our services.

At ALI & COMPANY LOGISTIC PRIVATE LIMITED, we are committed to providing efficient, cost-effective, and reliable logistics and machinery solutions tailored to our clients' needs. We look forward to collaborating with esteemed organizations and contributing to their success through our expertise in logistics, freight forwarding, and industrial equipment supply.

CORE VALUES

VISION

To be a globally recognized logistics company, renowned for our innovation, reliability, and commitment to sustainability. We strive to create a world where goods move seamlessly and efficiently, while minimizing our environmental impact. Our vision is to be the preferred choice for businesses seeking exceptional logistics solutions.

MISSION

To be the leading provider of comprehensive logistics solutions, delivering exceptional value and service to our customers in the Oil and Gas industry. We are committed to exceeding our customers' expectations by offering efficient, reliable, and sustainable transportation and supply chain solutions.

CORE VALUES

INTEGRITY:

We conduct our business with honesty, transparency, and ethical principles, building trust with our customers, partners, and employees.

INNOVATION:

We are committed to seeking new ways to improve our services and processes, adapting to evolving market conditions and leveraging technology to drive efficiency and customer satisfaction.

INTEGRATION:

We foster collaboration and teamwork among our employees and partners, striving for a unified approach to our operations and ensuring seamless integration across all departments and functions. We focus on meeting the unique needs of our customers by integrating our services and solutions.

CEO MESSAGE

At Ali & Company Logistic Private Limited, we take immense pride in being a leading provider of comprehensive logistics solutions. Since 1961, we have been serving the industry under different names, evolving into one of the most trusted and reliable logistics companies today. Our expertise spans Oil & Gas logistics, container and goods transport, freight forwarding, warehousing, and rig machinery services.

In today's fast-paced and highly competitive business environment, efficient and reliable logistics are the backbone of success. To meet these growing demands, we have invested in state-of-the-art infrastructure, a skilled team of logistics professionals, and a modern fleet equipped with advanced tracking technology, ensuring secure and timely deliveries.

Our freight forwarding services cover sea, air, rail, and road logistics, streamlining import and export operations. Our warehousing solutions offer secure and efficient storage facilities, optimizing supply chain management. Additionally, we provide rig machinery and specialized equipment, including cranes and lifters, to support industrial and energy sector operations.

With over six decades of experience, we remain committed to delivering cost-effective solutions, timely execution, and personalized support. Our mission is to be your trusted logistics partner, offering tailored solutions that align with your specific business needs.

We deeply appreciate the trust and confidence our clients place in us and look forward to continuing our journey of excellence—delivering unmatched logistics, freight forwarding, and industrial equipment solutions for years to come.
